Dan Egger-Belandria—A Rhythm Journey!

Rhythm in Action is a motivational program supporting at risk youth in detention, or in residential treatment
Rhythm in Motion supports physical activity and reminiscence care in elderly and Alzheimer's patients
The Rhythm Language supports ESL, education and children at risk

These are ARTreach "Mentoring through Art" Workshops directed by Dan Egger-Belandria from Austin, Texas scheduled as workshops that will introduce percussion instruments and drumming styles as a creative way to communicate, express emotions and manage stress. His methods are motivational and effective for all ages, and promotes a healthier group dynamic through creative interaction.
